## WHAT IS JOBTINI?

JOBTINI is a quarterly social networking event bringing together professional candidates of color, recruiters, and hiring managers from top Northwest employers committed to workforce diversity. ColorsNWCareers' JOBTINI reinvents the model of how job seekers and employers connect. JOBTINI's informal setting allows job seekers and employers to network on a personal level.

## HOW DO I BENEFIT?

ColorsNWCareers promotes JOBTINI to over 100,000 local professionals through our job seeker database, strategic partnerships and ColorsNW.com. We use your job listings to match candidates of color to your open positions.
